ABOUT US

Chaldon Champions are delighted to be the resident wrap around care provider at St Peter & St Paul School.

We established ourselves here in 2019, as it became apparent that in today's society, wrap around care is a very important and much needed part of school/working life. The founder is a parent who wanted to help and develop a before & after school system, that tied in with the existing ethos of St Peter & St Paul School.

We offer:

Breakfast food available between 7:30-8:00

At Chaldon Champions we have a lovely team of playworkers that provide an entertaining, educational & relaxed setting for the children. There are multiple activities on offer for your child or they can choose to relax and unwind from their busy school day. Healthy snacks are offered to everyone immediately after school and nutritious meals are provided for those staying for breakfast/dinner. We are based in the main hall but like to utilise our wonderful outdoor space as much as possible. Holiday Clubs run during the school breaks.

DAILY ROUTINE

15:00-15:25 Collection & Snack

Children are collected from their classrooms and escorted to the hall. A healthy snack will be offered.

Until 16:15 Play time

Other than in adverse weather conditions, the children are encouraged to go outside where there are many activities on offer from table tennis and football to skipping and hula hoops.

Indoors activities such as Lego, puzzles, toys and board games are set up as well as a craft based around the weekly theme usually relating to current festivals, events or seasons. Drawing and colouring is also available.

16:15 First parent/carer collection time

Children booked in for the first hour can be collected by their parent or the designated carer listed in the register from the Chaldon Champions entrance after ringing the bell.

Those children whom attend after school clubs such as hockey or football are collected and signed in.

16:30-17:00 Tidy up time & Dinner

The equipment and crafts are tidied away and hands are washed in readiness for a light dinner which varies each weekday, alternating between week 1 and week 2. There is freedom of choice within the food options available, with opportunities for those children that would like a second helping.

Chaldon Champions is committed to building a 'culture of safety' in which the children in our care are protected from abuse, harm and radicalisation. All our staff receive training on these modules.

The Club will respond promptly and appropriately to all incidents or concerns regarding the safety of a child that may occur. The Club's child protection procedures comply with all relevant legislation and with guidance issued by The Surrey Safeguarding Children Partnership.

There is a Designated Safeguarding Lead (DSL) available at all times while the Club is in session. The DSL coordinates safeguarding and child protection issues and liaises with external agencies (eg Social Care and Ofsted).

TESTIMONIALS

“ Chaldon Champions is by far the best child service we have ever used; it provides hours that cater for working parents, it's flexible, supportive, and the brilliant staff build genuine bonds with the kids. There's been a few situations we have needed to alter hours or do last minute add-ons and these requests are always treated as no trouble. Ashton absolutely loves attending and is more often than not a bit disappointed to leave at collection time.

“ Thank you for all the care you have provided and the flexible nature of the service.

“ I'm very grateful for all the staff do, my child has a lovely time and never wants to come home. He really enjoys playing outside with all his friends.

“ Oliver loves Chaldon Champions and is very happy there. He hates it if I pick him up early. He always comes out skipping and happy.

“ My daughter absolutely loves after school club and would go everyday if she could! Great staff and great facilities!
